- JavaScript
- Figma
- DotNet MVC (Basic CRUD)
- SQL
- MySql Workbench
- Git
- Github
- Git Desktop

EXPERIENCE

Software Developer (Front End Developer)

Cylsys Software Solutions PVT LTD.

04/2023-Present Gadarwara MP

- Designed and developed responsive web interfaces using HTML5, CSS3, Bootstrap 4/5, and JavaScript, ensuring cross-device compatibility and smooth user experience.
- Implemented dynamic functionalities using JavaScript (ES6) and jQuery for DOM manipulation, form validations, and user interactivity.
- Integrated reusable components like header and footer using JavaScript fetch(), improving code modularity and maintainability.
- Integrated reusable components like header and footer using JavaScript fetch(), improving code modularity and maintainability.
- Worked with .NET MVC to build and manage dynamic pages with CRUD operations and view rendering using Razor syntax.
- Focused on UI/UX best practices such as consistent spacing, clean layout structure, typography, and intuitive navigation.
- Utilized CSS Flexbox and Grid to implement complex layouts that adapt well to various screen sizes.
- Improved web performance by compressing images, minifying CSS/JS files, and implementing lazy loading techniques.
- Practiced version control using Git and GitHub for code tracking, branching, and collaboration within the team.
- Maintained semantic structure and applied basic SEO techniques such as meta tags, alt attributes, and proper heading hierarchy.

PROJECTS

1. Employee Management System : .NET MVC, JS, Sql

- CRUD operations with Razor views & login system.
- Added JS form validation and error logging (text file).

2. IT-Asset : Html, Css, Bootstrap, JavaScript, Git, Github

- Designed complete front-end for an IT Asset Management system.
- Developed pages like Home, Vendor, Product, Asset, and Admin with responsive layouts.
- Used Bootstrap for structure and JavaScript for dynamic behavior & interactivity.

3. Global Justice Love and Peace : Html, Css, Bootstrap, JavaScript

- Built responsive site with clean UI & smooth scrolling for peace-focused content.
- Optimized images and code for better loading speed and performance.
- Performed manual UI testing to ensure responsiveness and cross-browser compatibility.

EDUCATION

B-Tech (Computer Science)

Takshshila institute of engineering and technology
